NAVIGATING AND PILOTAGE DUTIES OF THE FLEET.

FLEET CIRCULAR No. 5.—C.

Admiralty, 27*th March* 1877.

The entry of Navigating Cadets having ceased, my Lords Commissioners of the Admiralty are pleased to issue the following regulations for the performance of the Navigating and Pilotage duties of the Fleet, and for the carrying out of the necessary arrangements affecting the present Navigating class of officers.

1. Circular No. 40 C, of 7th August, 1873, and No. 18 C, of 3rd October, 1876, are hereby superseded, and their provisions, so far as they are retained, are embodied in this circular.

2. Lieutenants, under four years' standing, and Sub-Lieutenants who apply to be appointed to Navigating and Pilotage duties, will, if approved by their Lordships, be accepted, and required to pass the Pilotage examination in the Hydrographic Office, Whitehall.

3. No Lieutenant will be eligible until he has completed one year's service at sea as a Lieutenant. Every Sub-Lieutenant who has elected Navigating duties will, when promoted to the rank of Lieutenant, be appointed to a sea-going ship to serve one year as a watch-keeping officer.

4. Lieutenants may, after performing Navigating duties for three years, pass for First-Class Ships; and Commanders must have passed for First-Class ships, either as Lieutenant or Commander, before they can be considered as Navigating officers.

5. Within the first five years of their service, Lieutenants accepting Navigating Appointments will be required to go through a short course of gunnery in the "Excellent" or "Cambridge;" and in the Quarterly Returns of gunnery from Her Majesty's ships, it will be reported whether they are competent to drill quarters, and are conversant with the rifle and sword exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

6. Officers who qualify for Navigating duties will be required to perform those duties, if called on to do so, until promoted to the rank of Captain.

But this participation in the ordinary duties is not to interfere with their special Navigating duties, and is to be arranged at the discretion of the Captain.

8. If the Officer appointed for Navigation duties should be senior to the Senior Officer appointed for Executive Duties, he will, in the absence of the Captain, succeed to the command of the ship. But he is not to take upon himself the routine duties of the Executive Officer except by order of the Captain, or in case of necessity.

9. Executive Officers selected for Navigating duties will remain eligible for promotion to the highest rank in the Service; and, as Captains and Commanders, they, as well as Staff-Captains and Staff-Commanders, may be appointed Masters Attendant, Assistant Masters Attendant, and Queen's Harbour Masters.

13. Officers who have been promoted from the Navigating Sub-Lieutenants' list to the Lieutenants' list, will, within the first six months of their service, be required to go through a course of Gunnery in the "Excellent" or "Cambridge," and in the Quarterly Returns of Gunnery from Her Majesty's ships, it will be reported whether they are competent to drill Quarters, and are conversant with the Rifle and Sword Exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

14. Acting Navigating Sub-Lieutenants will, on completing their examinations, including Pilotage, be allowed the option of being placed on the Sub-Lieutenants' list, or on the Navigating Sub-Lieutenants' list. If they elect the Executive list, they will be placed upon it with the seniority which they would have obtained had they remained on the Navigating list; but should their seniority happen to be the same as that of any Sub-Lieutenant who has always been on the Executive list, they will be placed on the list below such Sub-Lieutenant.

15. Acting Navigating Sub-Lieutenants, when placed on the Sub-Lieutenants' list, will be appointed to the "Excellent" for a course of Gunnery instruction, and will be required to perform Navigating duties, if called on to do so, until promoted to the rank of Captain.

The 23rd day of

The QUEEN'S most Excellent Majesty

WHEREAS there was this day read at the
rial from the Right Honourable the Lord
ers of the Admiralty, dated the 4th of
words following, viz.:—

"Whereas we have had under
the Regulations (authorised by
Order in Council of 3rd August 18
ber 1867) under which leave of

being limited on in their case, additional leave
may also be granted in cases where the ship's com-
mission has been prolonged to an unusual extent
by which she has been employed on service of an
exceptionally arduous nature.

We do therefore most humbly submit that we
be empowered in a similar manner to grant full pay
leave to such officers of Your Majesty's Navy as are

ROYAL NAVAL COLLEGE, GREENWICH.

EXTRACTS FROM CIRCULAR No. 5—C.
Admiralty, 30th January 1873.

With regards Engineer Officers by the Regulations of June 1877.)

Majesty by Her Order in Council, dated 16th Ja-
ary, having sanctioned the founding of a Royal
ege at Greenwich, my Lords have determined
the said College on the 1st of February next, at
time for the instruction of the Gunnery Lieutenants
the Sub-Lieutenants will commence. The arrange-
ts for the higher courses of study will not be com-
ced at the beginning of the ensuing term on the 1st
ch, special provisions have been made to pre-
vent interruption or disarrangement in the studies
those of students who will hereafter be admitted
ereto.

The College, subject to the subjoined Regulations,
will be open to Officers of the following ranks:—
Captains and Commanders.
Lieutenants.
Navigating Officers.
Naval Instructors.
Sub-Lieutenants and Acting Navigating
Sub-Lieutenants.
Officers Royal Marine Artillery.
Officers Royal Marine Light Infantry.
Officers of the Engineer Branch, viz.:—
Chief Engineers.
Staff Engineers.
Fleet Engineers.
Chief Assistant Engineers.
A limited number of Dockyard Apprentices will be
annually selected by competitive examination,
for admission to the College.
Courses of instruction at the College will also be open
to a limited number of—
Naval Students of Naval Architecture or Marine
Engineering.
Officers of the Mercantile Marine.
It is not intended to provide at Greenwich for the
training of the Naval Cadets.
My Lords intend that the Royal Naval College at
Greenwich shall be so organised as to provide for the
instruction of Naval Officers of all ranks above that of
Lieutenant, in all branches of theoretical and scientific
knowledge upon their profession; but my Lords will
continue the instruction given in the "Excellent"
Gunnery as heretofore, and arrangements for in-
struction in practical surveying will also be continued
at Portsmouth.

My Lords desire, by the establishment of the College,
to give the Executive Officers of the Navy generally,
every possible advantage in respect of scientific educa-
tion. No arrangements will be made at all prejudic-
ing the all important practical training in the active
service of their profession.

The object of securing, in the interest of the Naval
Service, the highest possible scientific instruction is, in
the opinion of my Lords, most effectually to be attained
by bringing together in one establishment all the neces-
sary means for the higher education of Naval Officers
and of others connected with the Navy.

The number of Students at the College will render it
possible not only to carry out instruction by individual
tuition as hitherto, but to secure a staff of eminent professors, to arrange lectures and classes, and to provide chemical and physical laboratories, on a scale which has hitherto not been possible in any naval establishment.

Complete courses of study suitable for the different classes of Students admitted will be organised, and will be carried out by professors, lecturers, and instructors. Officers and others admitted as *Students* will have the advantage of these courses of study, whether they reside or not. But Officers and others who may not become students will, under certain regulations, have free access to separate courses of *lectures*, the benefit of which it is desired to extend as far as possible.

The following are the proposed courses of study:—

Subjects.

1. Pure Mathematics, including Co-Ordinate and Higher Pure Geometry, Differential and Integral Calculus, Finite Differences, and the Calculus of Variations.
2. Applied Mathematics, viz., Kinematics, Mechanics, Optics, and the Theories of Sound, Light, Heat, Electricity, and Magnetism.
3. Applied Mechanics, including the Theory of Structures, the Principles of Mechanism, and the Theory of Machines.
4. Nautical Astronomy, Surveying, Hydrography, with Maritime Geography, Meteorology, and Chart Drawing.
5. Experimental Sciences:—
   a. Physics, viz., Sound, Heat, Light, Electricity, and Magnetism.
   b. Chemistry.
   c. Metallurgy.
6. Marine Engineering in all its branches.
7. Naval Architecture in all its branches.
8. Fortification, Military Drawing, and Naval Artillery.
9. International and Maritime Law; Law of Evidence and Naval Courts Martial.
10. Naval History and Tactics, including Naval Signals and Steam Evolutions.
11. Modern Languages.
12. Drawing.
13. Hygiene—Naval and Climatic.

A certain latitude in selecting such courses of study as they may prefer will be allowed to Officers voluntarily attending the College. Officers and others required to attend by the Regulations will follow such courses of study as may from time to time be prescribed.

The general organization of the College will be as follows:—

A Flag Officer will be President; he will be assisted by a Captain in the Royal Navy in matters affecting discipline, and in the internal arrangements of the College unconnected with study.

A Director of Studies will, under the President, organize and superintend the whole system of instruction, and the various courses of study.

There will further be—
A Professor of Mathematics.
A Professor of Physical Science.
A Professor of Chemistry.
A Professor of Applied Mechanics.
A Professor of Fortification.

Such Instructors in Mathematics and the other branches specified as may be necessary to assist the Professors will be added to the Staff. Lecturers will be appointed to deliver courses of Lectures in Naval Architecture, Metallurgy, Civil and Hydraulic Engineering, Maritime Law, Naval History, and Tactics, and Hygiene.

A Naval Officer will conduct instruction in Nautical Astronomy and Surveying, and there will be two Instructors in Steam.

Such provisions will be made for instruction in French and German and in Drawing, as the numbers of Students desirous of following courses in these branches may render necessary.

The following changes are introduced in the Regulations as regards the time of study in the case of Officers who are required to attend the College.

(*a.*) The time allowed to Acting Sub-Lieutenants to qualify for their Examination in Navigation for Lieutenants will be extended from six weeks to six months.

(*b.*) Gunnery Lieutenants will be required to pass a term of nine months (from 1st October to 30th June) in the College at Greenwich *before* commencing their practical course in the "Excellent" instead of, as at present, a term of seven months *after* they have completed it.

Officers, on applying to qualify as Gunnery Lieutenants, if they have not already served one year at sea as Lieutenants, will be at once appointed to a sea-going ship, in order to complete the year's service required before they commence their studies.

(*c.*) My Lords propose that successful Candidates for Commissions in the Royal Marine Light Infantry should, before receiving their Commissions, have the advantage of a term of study in the College. They also propose to assign a longer term of study to officers of the Royal Marine Artillery; but the final arrangements with regard to Marine Officers have not yet been concluded.

(*d.*) All acting Assistant Engineers will in future be sent to Greenwich, after leaving the dockyards, for a period of study before their appointment to sea-going ships.

As regards Officers on half-pay, my Lords are particularly anxious that young Lieutenants should at once, on their promotion to that rank, avail themselves of the advantages of the College before their turn would come for appointment to a ship. The regulations specify allowances which are intended to remove any pecuniary difficulties in attending the College; and special consideration for appointments will be given to Lieutenants who thus occupy in so useful a manner the time necessarily spent on shore.

Arrangements have been made for the admission of Naval Engineer Officers to the College, which will prevent time spent at the College from entailing any pecuniary loss upon them.

The School of Naval Architecture at South Kensington will be absorbed in the Royal Naval College, Greenwich. The regulations for the admission of Engineer Students and of Dockyard Apprentices have been so framed as to provide as nearly as possible the same aggregate time for their instruction as that which is now afforded at South Kensington. Further regulations will be issued by their Lordships in regard to the admission of private Students to the course of study at the College on similar conditions to those now existing at South Kensington.

My Lords have further determined to admit a limited number of Officers of the Mercantile Marine as Students of the College, enjoying the full advantages of the whole course of instruction and tuition by the Educational Staff, while Officers of the Mercantile Marine generally will, on application, be allowed to attend courses of lectures.

The paramount object which my Lords have pursued in the organisation of the College has been to provide the most efficient means for the higher education of Naval officers adequate to the constantly increasing requirements of the Service; but my Lords also anticipate great advantages from the results likely to accrue from the connection which will be established through the College between men distinguished in the various departments of mathematical, physical, and chemical science, and those practical problems which so vitally interest the navigator, the naval architect, and the naval engineer.

My Lords expect the College to become, not only an educational establishment affording the means of the highest training in theoretical subjects to Naval Officers of all classes, but also a nucleus of mathematical and mechanical science specially devoted to those branches of scientific investigation which have most interest for the Navy.

6. Lieutenants desirous of qualifying as Gunnery Officers must serve one year at sea as Lieutenants before commencing their studies. SERVICE REQUIRED TO QUALIFY OFFICERS FOR MOTION TO FLAG RANK ON THE ACTIVE AND RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight,
The 4th day of August 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August 1870, in the words following, viz.:—

"Whereas in Your Majesty's Order in Council of 22nd February 1870, governing the promotion and retirement of Flag Officers and others of Your Majesty's Fleet, clause six of section two appoints as follows:—

"'Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if before retirement they had served the time to qualify them for promotion.'

"And whereas we are of opinion that this condition may be modified, we humbly propose to Your Majesty that the clause above recited be cancelled, and the following substituted:—

"Captains who have been, or who may in future be, retired from the rank under Your Majesty's Order in Council of 22nd February 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea."

[See Order in Council, 4th August 1875, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows:—

"'To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea. Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired.'

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause:—

"'(a.) "And whereas we are of opinion that the above recited clauses may require to be modified in the case of Officers who, as Lieutenants qualified for Harbour Service, have served in Gunnery Lieutenants, and also in certain other cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank:

"We therefore humbly propose to Your Majesty that the sub-clause above recited of section two, clause five, and the fifth section of Your Majesty's said Order in Council be cancelled and the following substituted:—

"(a.) Service of an Officer who has served in any Harbour Ship, or any Foreign Station (Coast Guard) Ship, subject to the following conditions:—

"1. Three years served in any Harbour Ship (Coast Guard) Reserve (Coast Guard) Ship, or Foreign Station such Ship, as Lieutenant or Commander, or in both ranks combined, shall count as two years' Sea Service as Sea Service in a Ship of War at sea.

SERVICE ON COMMITTEES, &c.

At the Court at Windsor,

The 18th day of May 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of May 1870 in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 9th February 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be drawn up on certain points connected with the Scheme of Retirement then sanctioned, we would humbly propose to Your Majesty:

"1. As regards service of Officers on Committees or Boards of Inquiry in connection with naval matters of importance, we are of opinion that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service towards Pay, Half-pay, and Retirement, though not allowed as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to two-thirds of full time, but the same in addition to what an Officer would have been entitled to if all his Committee time had counted as Half-pay time, to be two years.

"2. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, service, or otherwise, and we deem it advisable to employ him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in civil employment, that his retired pay should then be calculated according to the total period of service he would have completed, reckoning his civil employment as service for this purpose.

"3. As regards promotion on the Lists of Navigating Lieutenant Officers, and in the ranks of Paymaster and Assistant Engineer, we would submit to Your Majesty, that We be allowed to fill up not more than one in four vacancies which may be caused by Retirement, or Promotion consequent on Retirement, until the Lists may be reduced to the numbers authorised by Your Majesty's above-named Orders in Council; and we would beg to point out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order of Council of 22nd of February 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 26th June 1867, that Staff Commanders having served 20 years in the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the rank of Retired Captain, and that Officers having served 15 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 9th July 1864 it is laid down that Paymasters who may have completed 20 years' service, including Acting Paymasters' time, and not more than 4 years' time as Assistant Paymaster, shall be retired with the rank of Assistant Paymaster-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February 1870 it has been provided as to Commanders and Lieutenants placed on the Retired List that these Officers shall be granted the rank of Retired Captain and Retired Commander only at our discretion: We are of opinion that it will be for the benefit of Your Majesty's Service that similar conditions should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service: We therefore humbly submit that in future such Promotions on Retirement be made at our discretion. We beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Present:

The QUEEN'S most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of January in the words following, viz.:

"Whereas Your Majesty was pleased, by your Order in Council of 22nd February, 1870, to establish Regulations for the Retirement of Chaplains, and Chaplains and Naval Instructors of Your Majesty's Navy: And whereas we are of opinion that it is expedient, in the interests of Your Majesty's Service, to allow such Officers to serve Your Majesty at a period earlier than that laid down by the Order in Council: And whereas we are also of opinion that the services of such Officers, when retired from the Active List, should not be unrecognized: We therefore most humbly submit that Clause 6, paragraph 1 of the said Order in Council be cancelled, and that We be authorised to make the following regula-

"1. That any Chaplain who obtains from us permission to accept a living, or desires to retire from Your Majesty's Service, may, provided that he has not less than 10 years' service, be retired with pay on the following scales, viz.:—

The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein contained; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

His Royal Highness the Prince of Wales, Regent of the United Kingdom of Great Britain and Ireland, in the Name and on the Behalf of His Majesty.

A PROCLAMATION.

GEORGE P.R.

We do therefore, in pursuance of the Powers so vested in His Majesty by the said Act, by His Heirs and Successors, by this Our Royal Proclamation, in the Name and on the Behalf of His Majesty, and with the Advice of His Majesty's Privy Council, think proper to order and direct, and We do hereby order and direct, That all Gold, Silver, and Jewels, and other Articles received as Treasure by special Order, imported in His Majesty's Ships and Vessels, in the Actual Charge of the Captain or Officer commanding such Ship or Vessel, shall be liable to the Payment of Freight, whether such Treasure belong to the Crown or to private Parties.

And We do further order and direct, That the Delivery of any Gold, Silver, or Jewels, or other Articles aforesaid, laden on board of any of His Majesty's Ships or Vessels, for which Freight may or shall be payable as aforesaid, or according to the Provisions and Directions hereinafter contained, a Receipt or Bill of Lading, or Receipts or Bills of Lading, shall be signed by the Captain or Officer commanding such Ship or Vessel, describing the Quantity or Value of the said Gold, Silver, Jewels, or other Articles as aforesaid, the Marks, Numbers and Extent to which such Captain or Officer commanding such Ship or Vessel so receiving the said Gold, Silver, Jewels, or other Articles, on board such Ship or Vessel, shall be liable or responsible for Freight in case of Loss or Damage thereof to which he might be liable, in Form or to the Effect following:

(*Here insert Bill of Lading in the usual Form.*)

And it is hereby stipulated and agreed between the said and the Shipper and Owners and Consignees of the said that in case of Loss or Damage happening to the said Gold, Silver, Jewels, or other Articles as aforesaid, the Captain or Officer commanding such Ship or Vessel as aforesaid shall not be liable or responsible for more than Three-fourths of the Amount of such Loss or Damage.

That the Rates at which Freight shall be paid for Public and for Private Treasure respectively, and in Peace or War respectively, and for different Voyages, shall be as follows, viz.:—

[*For Rates see Proclamation dated* 23 *April* 1831, *page* 444.]

That in case of any Difference on any Question arising out of the above Scale, or omitted in the said Scale, the Lords Commissioners of the Admiralty shall have Authority to decide what the Freight shall be under the said Scale, or adhering as nearly as possible, in Cases not specified, to the Spirit and Principles of the said Scale.

That on the Shipment of Gold, Silver or Jewels, or other Articles received on board as Treasure by special Order, the Rate of Freight *per Cent.*, according to the above Scale, shall be endorsed on the Bill or Bills of Lading, or Receipt or Receipts of the Officer receiving the Charge thereof, such Endorsement or Endorsements to be signed by the said Officer; but in case of any Difference of Opinion Abroad, or when immediate Reference cannot be had to the Lords of the Admiralty, it may be expressed, "at such Rate as the Lords Commissioners of the Admiralty shall decide."

When Treasure belonging to the Crown shall be shipped in any of His Majesty's Ships or Vessels with a Commissary or Conductor specially charged with the Care thereof, the Officer commanding such Ship or Vessel shall not be required to give any Receipt, nor to sign any Bill of Lading, and such Officer shall not receive any Freight on account thereof, nor be liable to make good any Loss or Damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freights shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the proviso hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions, viz.

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs and feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.

2. Chronic eruptions on the skin or scalp; syphilis, primary or constitutional; gonorrhœa; extensive marks of cupping, leeching, or blistering, or of issues. Marks of punishment are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, divergent state of the hair of the scalp, fracture or depression of the bones of the skull, disordered intellect or imbecility, epilepsy, paralysis, or impediment of speech.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, flattening of the sub-clavicular regions, phthisis, hæmoptysis, bronchitis dyspnœa, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

10. Swelling or distension of the abdomen, undue obesity, disease or enlargement of the liver, spleen, or abdominal rings; stricture of the urethra, incontinence of urine or urinary fistula.

11. The non-descent of one or both testicles, varicocele, hydrocele, and sarcocele.

14. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty's Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory he is to be reported fit only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical officer, are to be entered on a List in the Medical Journal of the ship, in the Medical Returns from Hospitals and Marine Infirmaries, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on foreign service.

REGULATIONS AS TO DISCIPLINE OF LAND FORCES EMBARKED AS PASSENGERS ON BOARD HER MAJESTY'S SHIPS.

CIRCULAR No. 10.—LMM.

Admiralty, 10th February 1874.

REGULATIONS AS TO DISCIPLINE OF LAND FORCES EMBARKED AS PASSENGERS ON BOARD HER MAJESTY'S SHIPS.

Her Majesty, by Order in Council of 12th December, 1873, having been pleased to sanction the following Regulations for the discipline of Land Forces embarked as passengers on board Her Majesty's Ships the Lords Commissioners of the Admiralty are pleased to direct the Captains of Her Majesty's Ships to govern themselves accordingly.

At the Court at Windsor,

the 12th day of December 1873.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of December 1873, in the words following, viz.:—

"Whereas it is provided by Section 88 of an Act passed in the twenty-ninth year of Your Majesty's reign, entitled 'An Act to make Provision for the Discipline of the Militia,' as follows:—

"'Her Majesty's Land Forces, when embarked on board any of Her Majesty's Ships, shall be subject to the provisions of this Act to such extent and under such Regulations as Her Majesty, Her heirs and successors, by any Order or Orders in Council, shall at any time or times direct.'

"Whereas Your Majesty was graciously pleased by Order in Council of the 22nd day of February 1870, to approve the establishment of certain Regulations for the maintenance of order and discipline on board Your Majesty's Ships in which Your Majesty's Land Forces are embarked; and whereas we are of opinion that it would be for the advantage of Your Majesty's Naval and Military services to amend the above-named Regulations in some particulars, we humbly beg that Your Majesty will be graciously pleased by Your Order in Council to cancel the said Regulations, and in their stead to sanction the following:—

"1. Whenever any of Your Majesty's Land Forces, or of Your Royal Marines formed in a separate corps or detachment, shall be embarked as passengers in any of Your Majesty's ships, the officers and soldiers shall from the time of embarkation strictly observe the rules and regulations established for the government and discipline of Your Majesty's Navy, and shall for these purposes be under the command of the Senior Officer of the ship as well as of the Superior Officer of the Squadron, if any, to which such ship may belong.

"2. If any officer or soldier shall commit any act against the good order and discipline of the ship in which he is embarked, the Commanding Officer of the ship may, by his own authority, and without reference to any other person, cause him to be put under arrest, or to be confined as a close prisoner, and shall thereupon, if he thinks the case requires it, transmit a report, in writing, of the charges against such officer or soldier to his superior officer, or if there be no senior officer present, to the Commander-in-Chief of Land Forces, in order that the offender may be brought before a Military Court-Martial.

"'3. If any officer or soldier commits any act which in the opinion of the Commanding Officer of the Troops requires a trial by Court-Martial, such Commanding Officer shall, with the concurrence of the Captain of the ship, cause him to be disembarked on the first opportunity, or to be removed to a transport ship, and be there proceeded against according to military law. No Military Court-Martial shall be held on board any of Your Majesty's ships in commission.

"'4. If any private soldier shall commit any act against the good order and discipline of the ship, the Commanding Officer of the ship, if he thinks the case requires the infliction of any summary punishment for which by the Regulations of Your Majesty's Navy a warrant is necessary, shall apply for the concurrence, in writing, of the Commanding Officer of the troops as to the nature and amount of such punishment, if any, to be inflicted, and upon obtaining such concurrence, in writing, shall, by warrant under his hand, sentence the offender to suffer such punishment accordingly. The sentence shall in all respects conform to the provisions contained in the Naval Discipline Act, 1866, relating to summary punishments awarded by Commanding Officers. If the Commanding Officer of the troops shall decline to give his concurrence as aforesaid, he shall state his reasons in writing, and deliver the same to the Commanding Officer of the ship.

"'5. The Commanding Officer of the troops, upon receiving a notification in writing to that effect from the Commanding Officer of the ship, may, in respect of minor offences committed by any of the troops embarked, award such summary punishments as are permitted by the Regulations of Your Majesty's Navy to be awarded without a warrant. Your Majesty's Secretary of State for War and His Royal Highness the Field Marshal Commanding-in-Chief have signified their concurrence to these Regulations.'"

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) ARTHUR HELPS.

By Command of their Lordships,

ROBERT HALL.

MISCELLANEOUS CIRCULARS, &c.

GOOD CONDUCT MEDALS AND GRATUITIES.

Men (including those serving as Pensioners, and exclusive those mentioned in paragraph (q) may be recommended for the "Good Conduct and Long Service" Medal and Gratuity under the following regulations, laid down by Circulars No. 78, P, of 16th December, 1874, No. 9, P, of 29th April, 1875, No. 11, P, of 1st July, 1876, and Circular Letter, P, of 2nd August, 1875, viz.:—

(a). Recommendations for Medals and Gratuities are to be made entirely irrespective of the complements of Her Majesty's Ships, it being the intention of the Lords Commissioners of the Admiralty that there should not be any bar, except a man's own conduct, to his obtaining those distinguishing marks of their Lordships' approbation.

(b). The word "Exemplary" is to be used for describing the character of men with reference to their being granted Medals and Gratuities, and may be given to every man who deserves it in the ship in which he may be serving, regardless of his former history; *but the award of such character shall not of itself give any claim to medal or gratuity.*

(c). This word is to be entered, annually, on [illegible]

of December, and on discharge from Ships, by the commanding Officers of Her Majesty's Ships and Vessels, on the Parchment Certificates of such men as have, during the year or up to the date of discharge, shown themselves eligible for the character under the following regulations, and in such cases it will supersede the use of the words "very good."

(d). A notation of "Exemplary" character having been awarded is to be made at the same time against the names of such men in the Service and Conduct Book.

(e). In awarding this character Commanding Officers are to be careful to use their discretion; and are not to consider that they are bound to give the character merely because a man has kept clear of the defaulter's Book, escaped punishment, and fulfils the letter of the conditions which render him eligible for the character. *A man's conduct must be especially excellent to deserve the character of "Exemplary."*

(f). The character of "Exemplary" is not, under any circumstances, to be given for any year in which a man has been in the Second Class for Conduct, or has been disrated for misconduct, or has been imprisoned, by the Civil Power or otherwise, or confined in cells, or deprived of a Badge, or Good Conduct Medal, or has been placed below the privilege I class for leave.

(g). Ten years of continuous "Exemplary" character will entitle a man to medal, and fifteen years of continuous "Exemplary" character to gratuity, *provided he has never, during the whole of his previous Service in time reckoning for Pension, deserted, or been in the Second Class for conduct, or imprisoned by the Civil Power or otherwise, or been awarded a character inferior to "Very Good," except one year of "Good," in his first 5 years of time, reckoning for Pension.*

NOTE.—The character given in such portion of Boy's service as does not reckon for Pension has no effect on his claim to Medal and Gratuity; but that given in such portion of a Boy's service as does reckon for Pension, under former regulations, must not be inferior to "Good" in order to give him a claim.

A break in service caused by a man being invalided will not be considered as breaking the continuity of his "Exemplary" character, provided he rejoins as soon as the state of his health will admit.

(h). Desertion, reduction to the Second Class for Conduct, Imprisonment, by the Civil Power or otherwise, or the award of "Bad" character, during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in the following paragraph.

(i). In order not entirely to exclude from the honour of a Medal, a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become an exemplary character, the Lords Commissioners of the Admiralty will consider (with reference to the grant of a Medal without gratuity) the case of any man who can show fifteen years of continuous "Exemplary" character, notwithstanding anything he may have done, or any character which may have been awarded to him, except "bad" or "indifferent" in his previous service.

(k). The Lords Commissioners of the Admiralty will also consider the case of any man who would be excluded under the foregoing regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise.

(l). A man to whom a Medal has been awarded will be liable to be deprived of it summarily by Warrant under the hand of his Captain for subsequent misconduct, subject to the ultimate approval of the Commander-in-Chief, or Officer in command of the Station, or of the Admiralty when the Captain may not be serving under the orders of a senior officer; the deprivation to take place publicly, and to carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The medal to be returned to the Accountant-General of the Navy.

NOTE.—The infliction of any of the punishments mentioned in paragraph *(g)*, after a medal has been awarded, entails forfeiture of the medal; except as provided for in the following article; but if "very good" character is given for the year in which the deprivation takes place, the medal may be restored after ten years of continuous "Exemplary" character after the year in which the medal was taken away.

A complete history of badges, showing the award, deprivation, and restoration, must be given the copies of Certificate sent in to Admiralty.

(s). It must be distinctly understood that Medals only be granted after ten years of "Exemplary" on the condition that the recipients shall serve for Long Service Pension, unless invalided. (u). In the case of a man who has joined from the Army, the general character given to him on his discharge will be taken as his character through the whole of his Army Service, subject, however, to the rule as to ten consecutive years of "Very Good" or "Exemplary" character after punishment.

(v). These Regulations are to come into operation the 1st day of July 1870, and are to apply to all men of the ratings herein mentioned borne on the books of Her Majesty's Ships and Vessels; and in the Coast Guard afloat and on Shore; and to Royal Marine Divisions as well as Embarked.

CLARENDON.

Foreign Office, Jan. 1870.

THE VICTORIA CROSS.

VICTORIA R.

Whereas We, taking into Our Royal consideration that there is no means of adequately rewarding the individual military services either of Officers of the lower ranks in Our Naval and Military Service, or of Warrant Officers, Seamen, and Marines, in our Navy, and of Non-commissioned Officers and Soldiers in Our Land Forces, whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the Medals, both in our Navy and Army, is only conferred for long service or meritorious conduct, rather than bravery in action or distinction before an enemy, which is only exercised where a general medal is granted for a particular action or campaign, or a clasp to the medal for some especial engagement, in both which cases all share equally in the boon, and those by their valour have particularly signalised themselves remain undistinguished from their comrades. And for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour We have instituted and created, and by these Our Letters Patent do, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We declare should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Forces, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be duly observed and kept:

First.—It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

Digitized by Google

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the fact to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a regiment, troop, or company, in which the General, or other Officer commanding such force deem that all are equally brave and deserving that no special selection can be made by them, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Men or Marines, or for every troop or company of Men one Officer shall be selected by the officers entitled to Decoration; and in like manner one Petty Officer, Commissioned Officer, shall be selected by the Officers and Non-commissioned Officers entitled, two Seamen or Private Soldiers, or Marines, shall be elected by the Seamen, or Private Soldiers, or Marines engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior in command of the Naval force, brigade, regiment, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration, the acts were done under his own eye.

Fourteenthly.—It is ordained that every Petty Officer, Petty Officer, Seaman, or Marine, Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by virtue of which the decoration has been gained, be entitled to a Pension of Ten Pounds a year, and each additional Cross gained under rule four on such Warrant or Petty Officer, Non-commissioned Officers or Men, shall entitle him to an Additional Pension of Five Pounds per annum.

THE ALBERT MEDAL.

[illegible] extending the two DECORATIONS styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS" and "THE ALBERT MEDAL OF THE SECOND CLASS" to cases of Gallantry in saving life on land.

VICTORIA R.

VICTORIA by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS a Warrant was given under Our Royal Sign Manual, bearing date the 7th March 1866, in the 29th year of Our reign, "instituting a new decoration to be styled 'The Albert Medal,'" and such Warrant was in the following, that is to say:—

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwreck and other perils of the sea; and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss and to save the lives of those who are in danger of perishing by the effects of wrecks and perils of the sea; and taking into consideration the expediency of distinguishing such actions by some mark of Our Royal favour:

AND WHEREAS for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have ordained and created, and by these presents for Us, our Heirs and successors, institute and create, a new Decoration which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

First.—It is ordained that the distinction shall be styled '*The Albert Medal*,' and shall consist of a gold oval-shaped badge or decoration enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the late Consort Prince Consort, and suspended from a blue riband of five-eighths of an inch in width with white longitudinal stripes.

Secondly.—It is ordained, that the Medal shall be worn suspended from the left breast.

Thirdly.—It is ordained, that the names of those persons upon whom We may be pleased to confer the Decoration shall be published in the 'London Gazette,' and a register thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that anyone who, after having received the Medal, again performs an act which, had it not received such Medal, would have entitled him to it, such further act shall be recorded by a bar to be added to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those, who, after the date of this instrument, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given, shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas a Warrant was given under Our Royal Sign Manual, bearing date the 12th day of April 1907, in the 30th year of Our reign, intituled a Warrant revoking a Warrant dated the 7th day of March 1866, instituting a new Decoration to be styled "*The Albert Medal*," and instituting in lieu thereof two new Decorations, to be styled respectively "*The Albert Medal of the First Class*," and "*The Albert Medal of the Second Class*"

And whereas the Warrant of the 12th day of April 1907, after reciting the said Warrant of the 7th day of March 1866, proceeded as follows:

"And whereas it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas We, taking into our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased, in place of the Decoration created by Our Warrant of the 7th March 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained, that one of the said two Decorations shall be styled '*The Albert Medal of the First Class*,' and shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter

in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

"Secondly.—It is ordained, that the other of the two Distinctions shall be styled '*The Albert Medal of the Second Class*,' and shall consist of the like shaped enamelled Badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

"It is ordained, that each Medal shall be suspended from the left breast.

"Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the '*London Gazette*,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March 1866, have in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—It is ordained, that *The Albert Medal of the First Class* shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* should be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*."

"Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith by erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas it has been represented to Us, that many heroic acts are performed on land within Our dominions in preventing loss of life from accidents in mines, on railways, and at fires, and other perils on shore:—

"And whereas, We, taking into Our consideration that it is expedient to reward such of Our faithful subjects and others who perform such heroic acts are graciously pleased to extend the two Decorations styled respectively "*The Albert Medal of the First Class*" and "*The Albert Medal of the Second Class*" to cases of Gallantry in saving life on land; and for the exclusive government of the same, when conferred in such cases, but not otherwise, We are pleased to make, ordain, and establish the following Rules and Ordinances, which shall from henceforth be inviolably observed and

First.—It is ordained that "*The Albert Medal of the First Class*," when conferred for Gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Maltese Cross composed of the letter V. and A., crest in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life on Land," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained, that "*The Albert Medal of the Second Class*," when conferred for Gallantry in saving life on land, shall consist of the like badge, save and except that it shall be entirely worked in bronze instead of gold and bronze, and shall be suspended from a crimson riband of five-eighths of an inch in width, with four white longitudinal stripes.

Thirdly.—It is ordained, that each Medal shall be suspended from the left breast.

Fourthly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the "London Gazette," and a register thereof kept in the Office of one of Our Principal Secretaries of State.

Fifthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Sixthly.—It is ordained that the Medals shall only be awarded to those who, in saving or endeavouring to save the lives of others from accidents in mines, railways, or at fires, or other peril within the limits of other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by the First Lord of Our Treasury.

Seventhly.—It is ordained that *The Albert Medal of the First Class* for Gallantry in Saving Life on Land shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* for Gallantry in Saving Life on Land shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

Eighthly.—In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that, if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall forthwith by especial Warrant under Our Royal Sign Manual, forthwith erased from the register of those upon whom the said Decoration shall have been conferred, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to order that any person may at any time have been expelled shall be restored to the enjoyment of the Decoration.

[illegible]	200

[illegible] receive allowances corresponding with [illegible] Officers in the army as prescribed [illegible] Order in Council of 11th June, 1863.

5. Memorandum of Rank and Service.

[illegible] desirous of availing himself of these [illegible] obtain a Memorandum, if a Naval man, from the Lords Commissioners of the Admiralty, and if a Military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. Location Ticket.

As the sole object of the Regulations is to encourage *bona fide* settlement of Naval and Military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bona fide* settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelve-month from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.
